MEDICAL AND CHEST X-RAY FORM

SECTION A: GENERAL INFORMATION AND PERSONAL DETAILS

Who can complete this certificate?

In countries where Immigration Cook Islands has an approved list of Panel Doctors and Radiologists this certificate must be completed by a listed medical practitioner and a radiologist. Please see our website: www.mfai.gov.ck for a list of Panel Doctors near you. If you are in a country where there are no Panel Doctors, a registered medical practitioner, preferably your own General Practitioner, can complete this certificate.

What to bring to the medical examination

- · Your valid passport for identification.
- · Any spectacles or contact lenses you may wear.
- Any existing specialist reports, where you have a known medical condition.
- Details of any prescription medicines you are currently taking.
- · Three recent passport photos (less than 6 months old).

Children

All applicants including children and newborn babies are required to undergo a medical examination and have a medical certificate submitted as part of the application process.

- Children under 11 are not required to undergo a chest X-ray.
- Children under 15 are not usually required to undergo the standard blood tests.
- Children under 16 must be accompanied by a parent or guardian for the medical examination.

Your responsibilities

- The applicant must pay for the examination, the chest X-ray, laboratory tests, and any specialist reports which are required.
- You must tell the truth. Any false statement on this form may result in the application being declined, any visa or permit issued being cancelled and the applicant being required to leave Cook Islands.

What happens next?

You are required to submit this completed form including chest X-ray and laboratory results with your application for a visa or permit. The medical certificate will not be accepted more than three months after the medical examiner has signed the declaration. Immigration Cook Islands may follow-up your submission with a request for further information in the form of specialist reports or further tests.

Instructions for Section A:

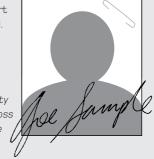

- To be completed by the person being examined before having the medical examination.
- Please use a black pen and write neatly in English using BLOCK LETTERS.
- · Illegible forms will be returned for clarification.
- · Please tick or fill in all boxes.

Applicant:

Please attach one recent passport photograph in the space provided.

SECTION C: DECLARATION OF PERSON HAVING MEDICAL EXAMINATION

Instructions for Section C:

- This declaration must be signed and dated by the person being examined in the presence of the Medical Examiner.
- A parent or guardian must sign on behalf of a child under 16 years of age.
- Please read carefully before signing:

I certify that:

- I understand the notes and questions in sections A and B of this certificate and I declare the information given about me is true, correct, and complete.
- I understand that this declaration also applies to the chest X-ray and laboratory test sections.
- I declare I will inform Immigration Cook Islands of any relevant fact or any change of circumstance that may affect the decision on my application for a permit or visa due to my health circumstances.
- I authorise Immigration Cook Islands to make any enquiries it deems necessary in respect of the information provided on this certificate and to share this information with other Government agencies (including overseas agencies) to the extent necessary to make decisions about my immigration status.
- I authorise Immigration Cook Islands to provide information about my state of health to any Cook Islands health service agency.

- I authorise any Cook Islands health service agency to provide information about my state of health to Immigration Cook Islands.
- I undertake to pay the fees for this medical examination including chest X-ray and laboratory tests and I also agree that I or my child will undergo, at my expense, any further medical examination(s) that may be required by Immigration Cook Islands in respect of the immigration application.
- I agree that the Medical Examiner, the radiologist and the laboratory who complete this certificate may release to Immigration Cook Islands, or any Medical Assessor employed by them, any information acquired with regard to the health of myself or my child.
- I understand that if I make any false statements, or provide any false or misleading information or have changed or altered this certificate in any way, my application may be declined, or my visa or permit may be revoked, and that I may be committing an offence and be liable to prosecution and imprisonment.
